

The North Shore Animal League
saves abandoned dogs and cats,
and finds them new homes.

I am deeply concerned
& totally against
ANY xenotransplant
research! Are you the
watchdog that should
protect 'us' from the
threats of inter-species
virus transmissions?
Virus transmissons just as
aren't pig viruses just as
dangerous as non-human
primate viruses? More
humane & safer way
to go - why are you creating
